## Summary of CV

This section describes briefly a summary of your career in science, academic and research; the main scientific and technological achievements and goals in your line of research in the medium -and long- term. It also includes other important aspects or peculiarities.

Ph.D in Social and Cultural Anthropology (Universidad Autónoma de Barcelona 2016 - CUM LAUDE and EUROPEAN MENTION)

### Scientific experience :

- 13 scientific publications, 12 of them as sole author (1 more manuscript is currently under review)
- 2 entire books, 1 of them published by the prestigious L'Harmattan (French publisher, ICEE=12), being sole author.
  - 5 scientific publications in Impact Indexed journals / books, 1 of them published by the prestigious CSIC (Spanish publisher, ICEE=15), being the sole author (1 more manuscript is currently under review)
- Results presented in international conferences (11) and seminars (6)
- Career developed in the framework of 5 publicly funded projects: 4 international projects and 1 national pilot project
- P.I. of 2 publicly funded projects

### International experience :

- 1 pre-doctoral (6 months) duration in foreign research center (EHESS, Paris).
- 4 long duration fieldworks in India

### Grants:

- 4 obtained grants and scholarships (Erasmus, MEC-Movilidad, MICINN-FPI, Diputació de Barcelona)

I have carried out research in the fields of Caste System, Gender, Human Body, Religion, India, Himalaya.

In general I have been very active in the application of anthropology to social problems and working in a multidisciplinary and international environment. To this end I have been member of the Collegiate Board of the Institut Català d'Antropologia, as well as member of 2 Funded Research Groups (AHCISP-UAB and COS-ICA).

I came to Spain with an Erasmus Grant during my Degree in Social and Cultural Anthropology at the Université Libre de Bruxelles (Belgium). In the course of my scientific career I have published 13 articles in quality international journals/book chapters, 2 entire books, and 4 reports for public bodies.

I have created innovative material for Gender Equality in the field of education, and organized several meetings with Public Bodies (Diputació de Barcelona) in order to enhance the gender perspective in public activities and services.

I have presented my work to 17 international conferences and 10 national seminars, and participated in up to 5 officially funded research projects. I have been the PI of two publicly funded projects, and created a pilot-project in the field of gender and education. I have collaborated in teaching Anthropology at the Universitat Autònoma de Barcelona since 2012 (Graduate in Anthropology / Geography / History, and several Masters in Anthropology), Universitat Oberta de Catalunya (Social Education) since 2020 and Universitat de Barcelona (Indian Ethnography) since 2021. Not to mention my work as a cultural educator at the Museu de les Cultures del Món (Ethnographic Museum of Barcelona) since 2020.

My formation also includes a 6 months stay at a research institution of recognized international prestige in the area of Social Science (EHESS, PARIS), and 4 long duration fieldworks in the Indian Himalayas.

After my PhD dissertation, I obtained a competitive funded project in the field of Anthropology, Social Intervention and Gender.

Currently I am focussed on applying anthropology to gender and social stratification problems, looking for innovative and multidisciplinary methods. This is a rich new area, where traditional models break down, requiring the need for new approaches, born out of an understanding of anthropology, sociology, history and education.
